Protect Your Investment

**Protect Your Windshield with**

**ResistAll®**  
Windshield Sealant

## **An Actual Glass Sealant**

that helps protect your costly windshield from road debris.

- Covers rock chips & cracks up to 6 inches
- Protection available in 3 & 5 year terms, renewable for life

## **Clear and Strong**

ResistAll® Windshield Sealant smooths, protects and seals the microscopic pores and pits of automobile safety glass against damage from flying rocks and road debris.

The most vulnerable area of your car is now protected to deflect the potentially harmful impact of flying objects.
