Tire & Wheel Protection

Save Your Car's Face Value

Can't predict the little bumps that are waiting for you somewhere down the road—on a cross-country vacation or a trip to the store. Road hazards that can appear out of nowhere:

potholes, glass and pieces of metal, rocks and wooden debris, plastic or other hard objects, large objects in the road, potholes and craters.

Road hazards can range from annoying to flat-out dangerous to downright ugly. Sharp debris in the road can puncture tires, causing them to go flat. Potholes, rocks and other objects may also cause damage. Unfortunately, it's difficult to dodge road hazards that can cause serious damage to tires and wheels.

The ultimate beauty secret for tires & wheels.

Our Signature Finish Tire & Wheel Protection™ brings the unwelcome expense and inconvenience of being stranded to a screeching halt—and preserves beauty by repairing or replacing damaged tires and wheels when caused by road hazards.

This unique protection plan includes the following services:

- Tire and wheel repair or replacement
- Roadside Assistance for the term of the contract
- Cosmetic Wheel Damage Coverage
- Rental Reimbursement – up to 2 days at \$35 per day for Covered Repairs
- Nationwide coverage at an authorized repair facility
- Protection above and beyond the manufacturer's warranty

Keep Tires and Wheels in Showroom Shape

EFG's Signature Finish Tire & Wheel Protection covers you for the life of the contract against road hazards that can cause wheel or tire damage other than normal wear and tear. The ugly truth is that the manufacturer's warranty on tires covers only defects, and while your auto club may offer a tire change or towing, the actual costs of repairing or replacing damaged tires comes out of your pocket.

The Benefits Are Beautiful:

- No deductible
- Protects the investment in your vehicle
- Avoid incurring unplanned expenses
- Flexibility and convenience to use any authorized repair facility nationwide
- Peace of mind that you will not be stranded on the side of the road
- Protection for all current model vehicles up to +5 model years
- No maximum limits on road hazard occurrences

Please see your contract for terms, limits and conditions.
